

Greetings fellow golfers,

With spring now here, we know everyone's eager to get out and play some golf. Currently, the courses along the Lake of the Ozarks Golf Trail are open and ready for play.

However, with your safety and well being in mind, we recommend that, as you begin to plan your outing, you check out each course and accommodation to familiarize yourself with the individual safety protocols they have in place in response to COVID-19.

For specific guidelines and protocols, please visit the website(s) of the course(s) or accommodation(s) of your choice to help you plan for future golf outings at the Lake of the Ozarks.
