

Greetings fellow golfers,

All our courses and accommodations are doing everything they can so you can still safely enjoy the spring season and your favorite pastime. Just be sure to honor local, state and federal CDC guidelines. Do not share clubs or carts and practice social distancing. ***If you are not feeling well, please stay home.***

Additionally, every Golf Trail course and lodging property has put into place stringent policies to protect the safety and well being of their guests.

We recommend that, as you begin to plan your outing, you check out each course and accommodation to familiarize yourself with the individual safety protocols they have in place in response to COVID-19.

For specific guidelines and protocols, please visit the website(s) and Facebook page(s) of the course(s) or accommodation(s) of your choice to help you plan for future golf outings at the Lake of the Ozarks. Or, you can find that information on the [courses here](#) or the [accommodations here](#).
