## The Cove at The Lodge of Four Seasons

The Cove is The Lodge of Four Seasons' much-celebrated flagship course. Designed by Robert Trent Jones, Sr., The Cove features 72 bunkers, rolling hills, and water coming into play on nine of the 18 holes. This par-71 course is anything but tame. The four sets of tees tip out at 6,553 yards, but start at 5,172 so players of all abilities can enjoy this classic design. In typical Robert Trent Jones fashion, The Cove is a target golf course putting an emphasis on getting the ball in play off the tee.

Every golfer will leave with a memory of hole four, our signature par three. Whether you tee it up from the red tees at 110 yards, or let it rip from the 230-yard blue tees, it's all about carrying the ball over the Lake's famed "Witch's Cove."

Breathtaking views of the Lake and a classic design leave golfers wanting another shot at this legendary golf course. No golfer will be able to forget this course.

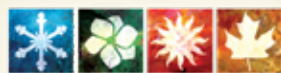

**Location** The Cove is located on a private road off Horseshoe Bend. For detailed driving directions, please call the Pro Shop at 573-365-8532.

## Rolling Hills Country Club

Some of the Lake area's best bentgrass greens are highlights of this well-maintained, challenging course. Established in 1955, Rolling Hills Country Club features a park-like setting with mature Ozarks woodlands lining zoysia fairways. A wonderful mix of lakes, mature trees, bunkers and challenging greens provide a varied and enjoyable setting for all golfers. Unique to the Lake area, Rolling Hills is easy to walk and welcomes players who would like to walk the course. Golf

lessons are available.

Tee times can be made up to 90 days in advance. Golf season is year around, weather permitting.

# A Great Way to PLAY and STAY!

**Imagine making just one phone call** to reserve the accommodations you want plus guaranteed tee times on your favorite Lake of the Ozarks golf courses – all for one special price that's less than you'd pay for booking lodging and golf separately. That's the idea behind our popular and convenient Golf Trail Getaway Packages.

**Here's how the GOLF TRAIL GETAWAY PACKAGES work:** First, look over the list of accommodations in this booklet, starting on page 21. A complete list of Golf Trail Getaway participants starts on page 30. Lodging options range from resorts and hotels to condos, campgrounds and vacation homes, from economical to luxurious.

Next, call the lodging property you've selected and tell the reservationist you want to book a Golf Trail Getaway Package. The reservationist will make all the arrangements for your group, including accommodations and tee times. Your discounted price will include a double occupancy room, green fee and shared cart rental for 18 holes a day at any of the Lake's 13 golf courses.

Remember, just one call will put you in your preferred lodging and on your favorite Lake of the Ozarks golf courses for one reduced price. There's no easier or more economical way to play than booking a Golf Trail Getaway Package!

## *Golf Trail Getaway Packages: Payment and General Conditions*

**1. Deposit:** A deposit may be required to confirm reservations. Please contact the individual lodging provider for specific deposit/cancellation policies. Lodging facilities that require a deposit will send guaranteed room reservations and tee times to the golfer 30 days prior to arrival for those who make their deposit. Golfers who send their deposit less than 30 days prior to arrival will be sent their guaranteed room reservations and tee times 7 days after the deposit is received. For golfers sending their deposit less than 15 days prior to arrival, guaranteed room reservations and tee times will be provided via telephone and/or email. Priority in securing tee times for the scheduled day will be on a first-reserved, first-served basis.

**2. Method of Payment:** U.S. currency in the form of money orders, travelers checks and personal checks, along with all major credit cards are accepted for the deposit, if required. Please contact the lodging facility of your choice for specific policies on deposit and payment requirements.

**3. Cancellations & Refunds:** (a.) **Individuals or groups of fewer than 20 golfers:** Golf Trail Getaway Packages cancelled at least 14 days prior to scheduled arrival date receive full refund of deposit. The deposit will be forfeited on packages cancelled less than 14 days prior to arrival, unless cancellations are due to an emergency. The lodging facility will inform golfers of its policy on what constitutes an emergency. (b.) **Groups of 20 or more:** Golf Trail Getaway Packages for large groups require a signed contract between the lodging facility and the group.

Packages cancelled at least 14 days prior to scheduled arrival date will receive full refund of deposit. Packages cancelled 13 to 7 days prior to scheduled arrival date will forfeit the deposit. Packages cancelled less than 7 days prior to arrival date will be billed for the remainder of the package amount.

**4. Package Price Includes:** Lodging accommodations, confirmed tee times, green fees, and shared cart rental each day for 18 holes.

**5. Rate Information:** Rates listed in this book are based on per person/per night, double occupancy, and 18 holes per day at the courses chosen by the golfer. Weekday rates are for golf played Monday through Thursday. Weekend rates are for golf played Friday through Sunday or holidays. Rates do not include sales tax. Call for 9- and 36-hole rates. All rate information contained in this book (lodging and golf rates) is accurate as of Dec. 1, 2018, and valid through Dec. 31, 2019; however, rates are subject to change at any time without prior notification.

**6. Golf Attire:** In general, "resort wear" is expected. Golf shoes (with socks) and collared shirts are suggested for men. Shorts are acceptable. For women, golf shoes with socks, collared shirts, and slacks, shorts or golf skirts are suggested. Please do not wear jeans, cut-offs, tank tops or sneakers.

**7. Course Closings/Rain-Outs:** Rain-outs or golf course closings will be determined by the golf course. The golfer may (a.) go to the golf course and have the golf voucher signed by a pro shop staff member, indicating that the course is closed, or (b.) an assigned individual at the

lodging facility may call the course to determine if it is open. If the course is closed, the golfer may request the pro shop or the lodging facility to call other courses to determine if they are open and determine if the golfer can play. The golfer then can decide to (1.) play the other course, (2.) accept a rain check from the first golf course, (3.) redeem the voucher for merchandise, or (4.) be given credit on his/her final bill. If the golfer accepts option (4.) – credit on the final bill – the lodging facility will subtract the course billing price for the time period when determining the customer's final bill.
